2009

Invitation

Since 1985, Face to Face has been working to provide compassionate care to people living with HIV/AIDS and their loved ones, and prevention and education to all of Sonoma County.

How can I make a difference? This is the question many people ask themselves when faced with social issues as daunting as the AIDS epidemic.

Face to Face provides compassionate care to more than 500 men, women and children living with HIV and AIDS in Sonoma County. A thankful family of four recently delivered the following framed acknowledgement to our staff:

"In a time of great need, you stepped forward and worked hard to make sure my family was able to obtain a stable and healthy environment to live, you relieved so much unhealthy stress from our lives and gave us back a sense of peace knowing everything was going to be alright."

Our signature annual fundraiser, **Art for Life**, enables you to make an impact on families like these. With your help, Face to Face will continue to provide compassionate care and essential services for individuals and their families who live with AIDS in our community.

Since 1988, more than 3,000 pieces of artwork have been donated to Art for Life, raising well over 2 million dollars in direct cash funding for Face to Face's programs and services.

The commitment of hundreds of artists, along with the financial partnership of caring corporate leaders and countless individuals have made Art for Life a tremendous success in Sonoma County.

Participation, especially in times of uncertainty and fear, fosters love, hope and strength. Your choice to support Art for Life proves to the community that every person we work with - young or old, gay or straight - matters.

Your tax-deductible sponsorship ensures that 100% of the revenue generated from the event itself goes directly to Face to Face programs.

Complete and return the attached form today, or join online at f2f.org/artforlife. If a single payment is an obstacle, consider our monthly giving plan. Spreading the payments out over one year, and using a debit or credit card, can offer ease and convenience.

We ask to receive sponsorship pledges by July 1 so that we can include your name or business in our many promotional materials. The event itself takes place on Saturday, August 29 from 2-6pm at Windsor's Mary Agatha Furth Center.

Please visit Art for Life online at www.f2f.org/artforlife to learn more about the event and the agency. Also available online is the Art for Life gallery with samples of work from prior years. 2009 artists will be added as they come in.

On behalf of the many individuals and families who rely on our services, we extend our sincerest thanks.

Every gift matters.
